

Troy Turkey Trot 5K

Course Description (as course is run). Runners have use of the entire roadway except as noted below.)

The star-shape course located in downtown Troy consists largely of two out-and-back segments: (1) on the Green Island Bridge over Starbuck Island, and (2) on River St. The **Start** is on 4th St at the Fulton St intersection and proceeds north, continuing onto River St, to L at Federal St onto the Green Island Bridge, *remaining L of the double-yellow line*, to the clockwise **Turnaround 1** at the end of the double-yellow line before the intersection of Lower Hudson Ave. Reversing direction, the course returns east, *remaining L of the double-yellow line*, to L (north) on River St to **Mile 1**. The course continues on River St, *remaining L of the double-yellow line*, to the clockwise **Turnaround 2** after Ingalls St. Reversing direction and *remaining L of the double-yellow line*, the course proceeds south on River St to **Mile 2**, and continues to slight L on King St, through the intersection of Federal St onto River St to **Mile 3** and the **Finish** at Monument Square.
